NOTES TO FINANCIAL STATEMENTS

NOTE A – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Hope Beyond Bridges (HBB), a 501(c)(3) non-profit organization, provides meals and hygiene items for the homeless in Houston, Texas. Its mission is to bring hope to the homeless through developing lasting relationships and sharing the grace and love of Jesus Christ. HBB is supported primarily through donor contributions and fundraising activities.

Summary of Significant Accounting Policies

1. Revenue Recognition

HBB records earned revenues on an accrual basis. In addition, it records as revenue the following types of contributions, when they are received unconditionally at their fair value: cash, promises to give, and gifts of other assets. Conditional contributions are recognized as revenue when the conditions on which they depend have been substantially met.

HBB records contributions as with donor restrictions if they are received with donor stipulations that limit their use either through purpose or time restrictions. When donor restriction expires, i.e., when a time restriction ends or a purpose restriction is fulfilled, net assets with donor restrictions are reclassified to net assets without donor restrictions.

2. Contributed Services

Many individuals volunteered their time and performed a variety of tasks that assist HBB in preparing meals and the distribution of meals and hygiene items. HBB received approximately 4,000 volunteer hours per year. However, in the year ending December 31, 2023, the value of contributed services meeting the requirements for recognition in the financial statements was not material and has not been recorded.

3. Basis of Presentation and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United State of America ("USGAAP"), which requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

4. Property and Equipment

HBB capitalizes all property and equipment purchased or donated with a cost of \$2,000 or more. Property and equipment are depreciated using the straight-line method.

5. Net Asset Presentation

- a. Without donor restrictions consist of resources available for the general support of HBB's operations. They may be used at the discretion of HBB's management and Board of Directors.
- b. With donor restrictions consist of amounts restricted by donors to be used for specific activities or at some future dates, or which require HBB to maintain in perpetuity. When a donor restriction expires, i.e., when a time restriction ends or a purpose restriction is fulfilled, net assets with donor restrictions are reclassified to net assets without donor restrictions.

6. Changes in Accounting Principle

Revenue from Contracts with Customers

Effective January 1, 2020, HBB adopted Accounting Standards Update (ASU 2014-09), Revenue from Contracts with Customers, as amended. The guidance provides a single comprehensive model for entities to use in accounting for revenue arising from contracts with customers and supersedes most current revenue recognition guidance. The new revenue recognition guidance does not apply to how contributions and pledges are recognized, as they are specifically scoped out of the new guidance. As a result, there is no change in the way HBB recognizes revenue.

Recognition of Contributions

Effective January 1, 2020, HBB adopted ASU 2018-08, clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made. It provides a framework for evaluating whether grants and contributions should be accounted for as exchange transactions or as non-exchange transactions. This guidance has no impact on HBB's financial statements.

7. Income Taxes

HBB is a not-for-profit organization exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation.

8. Investments

Under SFAS No. 124, Accounting for Certain Investments Held by Not-for-Profit Organizations, investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets. Investment income and gains restricted by a donor are reported as increases in unrestricted net assets if the restrictions are met (either by passage of time or by use) in the reporting period in which the income and gains are recognized.

9. Cash and Cash Equivalents

For purposes of the statements of cash flows, HBB considers all highly liquid investments available for current use with an initial maturity of three (3) months or less to be cash equivalents.

NOTE B - RESTRICTIONS ON NET ASSETS

Substantially all of the restrictions on net assets at the end of 2023 related to funds raised to provide meals and hygiene items to people displaced by Hurricane Harvey and the donations toward the purchase of a vehicle.

NOTE C – PROMISES TO GIVE

For the year ending December 31, 2023, HBB has no unconditional or conditional promises to give.

NOTE D – INVESTMENTS

For the year ending December 31, 2023, HBB has no investment.

NOTE E – PROPERTY AND EQUIPMENT

Property and equipment consist of the following:

| | 2022 |
|--------------------------|-----------|
| Vehicles | \$ 40,217 |
| Furniture | 1,625 |
| Accumulated depreciation | (40,104) |
